WINTER CLOTHING

Thermal overall suits & winter boots

Rent special thermal overalls designed for arctic conditions. Those professional winter suits will keep you warm in temperature down to -20°C / -25°C . They are to be worn over your normal clothes.

Waterproof winter boots are a must-have when visiting Rovaniemi. They are designed to walk on snowy trails, ice, but also in the city. The thick sole maintains your feet away from the cold ground. Inside the boot, removable thermal socks are easy to dry at the end of the day.

We recommend to wear good woolen socks (x2 pairs), ski gloves and warm hats. Please note that we do not rent them for sanitary reasons.

Stroller

Rent a comfortable, light and easily foldable pushchair for your babies & kids. Britax Römer B-AGILE M with its comfortable design is perfect for everyday trips. This solid pushchair is adapted to winter conditions in Rovaniemi (ex: snowy/icy pavements, etc.).

Suitable: for kids from 6 months to approximately 4 years (22kg). Weight of the pushchair is 10kg.

WINTER SPORT EQUIPMENT

SNOWSHOES & HIKING POLES

We offer Inook® or TSL® composite snowshoes for rent; from our experience, they are the best quality snowshoes. Made in the French Alps, they are very easy to use, adaptable to every foot morphology and comfortable. Those snowshoes will greatly satisfy most uses in Lapland terrain, from gentle walks to multi-day treks.

Shoesize (EU): 34 to 52.
Kid models also available.

Hiking Poles are also available for rent. They are telescopic so they can be adapted to your height for optimal comfort.

Rent Altai skis (called in Finnish, “sliding snowshoes”) Those backcountry skis are equipped with a skin under the feet allowing them to both hike uphill and slide downhill ; they are the perfect gear to go off the beaten tracks or on longer expeditions.

The skis do not require any special ski boots, they will easily adapt to your winter hiking boots. They are rented together with Leki ski poles.

Shoesize (EU): 37 to 48.

BACKCOUNTRY SKIS & SKI POLES

Savotta Paljakka is one of the best references for expedition sleighs (pulka). It is light, stable and easy to use, but has a great loading capacity. The waterproof sturdy cover will keep your equipment dry. This is the perfect sleigh for longer adventures on skis / snowshoes.

Dimensions : 142 x 44 x 13 cm
Weight : 7.00 kg

The sleigh is rented with the harness.

Terms & Conditions for Equipment Rental

1. Parties to the Agreement

These terms and conditions apply to the lease between Nordic Odyssey - Chris Adventures rental service and the lessee (later referred as "Customer").

2. Rental period

The rental period starts from the moment the equipment is collected by the Customer from the office of Nordic Odyssey or when it has been agreed to be picked up in advance or when the equipment is delivered in the case that delivery has been agreed.

Rental duration is always counted in days, ie. 24 hours. The rental period ends on the day and time agreed between Nordic Odyssey and the Customer. The rental period may be extended if agreed between the Customer and Nordic Odyssey.

3. Amount and payment of rent

The amount of the rent is calculated in accordance with the price list, unless otherwise agreed. The rent is always paid in advance before the handover of the equipment.

4. Object of rental

The object of the rental is the equipment agreed between Nordic Odyssey and the Customer as such and with the accessories mentioned in the product descriptions. Upon receipt of the equipment, the customer must check the quantity, quality and condition of the equipment. If there are any remarks in the equipment, the Customer must notify Nordic Odyssey immediately.

5. Delivery of equipment

Equipment for rent will be handed over from the office of Nordic Odyssey located Pekankatu 7, 96100 Rovaniemi. If another method of delivery has been agreed in advance, the Customer shall be responsible for the additional costs incurred.

6. Guarantee and deposit payment

When the total amount of the rental or the value of the rented equipment exceeds 200€, the Customer may be requested to prove their identity when picking up the equipment. Nordic Odyssey has the right to take a copy of the Customer's identity card for the duration of the rental as a guarantee.

In addition, the Customer might be requested to proceed to the payment of a deposit as a guarantee. The deposit amount is calculated in accordance with the pricelist and shall be paid at the same time as the rental amount. The deposit amount will be paid back by Nordic Odyssey within a few days after the equipment has been returned by the Customer.

7. Use of rental equipment

The Customer is obliged to take care of the rented equipment and to be careful when using the rented equipment. Care must be taken to ensure that no equipment is dropped or otherwise damaged. The Customer commits to use the rental equipment only in the manner intended for the equipment.

The equipment is always handed over to the Customer inspected and in good condition. The Customer is obliged to return the equipment in the same condition back to Nordic Odyssey. If the Customer fails to return the equipment on time, Nordic Odyssey reserves the right to deduct any additional rental duration from the deposit amount.

8. Ownership, management and liability

Ownership of the equipment is maintained throughout the rental period at Nordic Odyssey. The customer does not have any right to sub-rent or sell the equipment leased from Nordic Odyssey. The Customer may not export the leased equipment outside the borders of Finland without this being explicitly agreed between the parties.

The Customer is fully liable for all leased equipment. Nordic Odyssey does not provide any insurance. In the event of damage, loss or breakage, Nordic Odyssey reserves the right to charge the full costs of any repair, cleaning or replacement necessary to return the equipment to the condition prior to the lease. If the leased equipment cannot be returned to normal service, the Customer is obliged to pay Nordic Odyssey the full purchase price of the equipment. The deposit amount may be used to cover such costs, or additional payment may be demanded if the amount of the deposit is insufficient.

9. Liability of the rental company

Nordic Odyssey is responsible for the normal wear and tear of the equipment and the resulting repair costs. The rental company is responsible for ensuring that the equipment to be rented is in good condition and corresponds to the product descriptions. Nordic Odyssey shall not be liable for any direct or indirect costs or damages that may be incurred by the Customer due to the use or breakdown of the equipment.

10. Insurance

Equipment for rent is not insured on behalf of Nordic Odyssey, unless otherwise agreed. The Customer is responsible for their own insurance of the rented equipment.

11. Cancellations of Order

The Customer will be charged 10% of the rental amount if cancellation is requested 48 hours or more prior to the agreed start of the rental ; any cancellation requested less than 48 hours prior to the start of the rental is not refundable (except for the deposit amount).

12. Transfer of Lease

The customer has no right to transfer the lease or transfer the leased equipment to third parties without the consent of Nordic Odyssey.

13. Force Majeure

Nordic Odyssey is not obliged to comply with the terms of the contract if it encounters a force majeure that cannot be reasonably resolved. Any compensation can be demanded by the Customer for any damage or expenses incurred due to non-performance of the contract.

Under no circumstances shall Nordic Odyssey be liable for any direct or indirect damage or loss of revenue caused by the equipment of Nordic Odyssey to the Customer or third parties. The liability of Nordic Odyssey, as a rental company, is limited to the total amount of the rental. Nordic Odyssey is not responsible for product defects or the breakdown of the equipment during the rental that are independent of its activity.

14. Right to terminate the contract

If the Customer does not fulfill the obligations mentioned in these rental conditions or, for example, fails to take care of the rental equipment, Nordic Odyssey is entitled to terminate this agreement before the end of the contract period. In this case, Nordic Odyssey has the right to retrieve the equipment belonging to it from the Customer. The Customer is responsible for all return costs incurred as a result. In the event of termination of the agreement, Nordic Odyssey is not obliged to return the rental amount paid by the Customer, to the exception of the deposit amount.

15. Dispute Resolution

Disputes are always first resolved in the mutual negotiations between Nordic Odyssey and the Customer. If no agreement is reached, all disputes arising from the lease agreement will be resolved in the lower court of Rovaniemi, Finland.

SEE YOU IN THE FAR NORTH!
